# The Calvin House

Welcome! Thank you for choosing the Calvin House to host your event. The Calvin House is a private dining and banquet facility that specializes in coordinating your private functions within an extension of our home. We specialize in catering at your site and quotations are available upon request. However, if you are considering on-site catering, transportation, service staff, and any additional equipment or rentals add to the quote.

Our office hours for calls concerning menus, appointments and reservation information are between the hours of 10:00 a.m. and 4:00 p.m. We welcome your calls, but the Calvin House is our home and we request that you do not call during late evening hours.

Our Dining rooms have a combined seating capacity of 300 persons. We have rooms that are sized to accommodate your function's special needs. We will work with you in choosing a room that best meets your needs. We provide centerpieces, tableware and linens of our choice for all functions. For weekday bookings your final bill must be a minimum of \$200. For Saturday bookings additional deposit and minimums are required.

If your reservation totals less than 50 people please choose one entree. If your party is larger we offer a selection of two entrees. You may make your selection within a variety of price ranges. We would be happy to create a personalized, unique menu for your function. All buffet menu selections and pricing is determined upon consultation, beginning with a basic charge of \$24.00 per person.

We rely on the host/hostess to provide a total count for each entree. Alternate meals (for food allergies, special diets, vegetarians, nondairy, etc.) are available to guests who contact us within 24 hours of their reservation. The entree price includes a salad and dressings, rolls and butter, entree, potato or rice, vegetable and beverages.

We welcome children at The Calvin House. Children under the age of ten may receive an entree at 1/2 price, while toddlers may eat at no charge. Menu selections for children will be appropriately portioned. The host/hostess may also choose a selection for the children not listed on our menu (ex., pizza, hot dogs, chicken nuggets, etc.). We request that children of any age remain under your supervision at all times to avoid injury and accidents.

The host/hostess is required to notify us at the time of reservation of any planned entertainment, programs, or ceremonies in order for us to coordinate the room setup. Any arrangement made with a disc jockey, band, chorus, or any other form of entertainment by the host/hostess should allow for setup prior to the arrival of guests. When a band, disc jockey, or dancing are requested, a fee of \$75.00 will be charged to cover additional costs incurred.

Reservations may be confirmed by phone; however, prompt receipt of a deposit, determined by your party size, is required. Deposits are deducted from your final bill. Final guest counts, complete menu selection, as well as arrival and eating times must be received no later than 48 hours prior to your reservation. Payment is due in full on the date of your function for small parties. For large functions, payment in full is required 4 days prior to the event. Prices are subject to 6% Pennsylvania state sales tax and a 20% service charge. We hope this information will assist in your event planning. Please look through the following pages to make your selections.
